

IMPLEMENT TRACKING DEVICE

JH-BP3

BETTER WARRANTY. BETTER PERFORMANCE.
BETTER VALUE.

BETTER MANAGE YOUR EQUIPMENT ATTACHMENTS WITH THE JACKHAMMER-BP3.

Keeping track of your heavy equipment is a hard enough challenge, but it's the small stuff that adds up to big problems. Losing buckets, forks, pile drivers or any other attachment is guaranteed to slow down work and eat into your bottom line. If you're ready to get control of your attachments Gauge has the answer.

Built in the USA by Gauge engineers, the JH-BP3 is designed specifically for attachments. Tested in the real world to withstand extreme shock and high vibration environments. The optional steel guard adds another level of protection to ensure reliable performance in the toughest of situations.

KEY FEATURES:

- Extreme shock and environmental resistance
- IP69K Environmental Rating
- 4-Year Battery Life
- Lifetime warranty, including battery with an active subscription

Applications:

- Small unpowered equipment
- Buckets
- Pile drivers
- Breakers
- Augers
- Trenchers
